25X1 5. [redacted] - JGO) I met with Marian Czarnecki, Chief of Staff, House Foreign Affairs Committee, and told him that the Director would prefer to brief the full Committee on the Middle East crisis rather than briefing just the Near East and South Asia Subcommittee as requested. Czarnecki told me that he would check with the Chairman as soon as possible and would check the Committee schedule to see if a briefing of the full Committee could be set up for possibly Wednesday of next week. It was also noted in the conversation that there is an outstanding request from Chairman Zablocki for briefing of his Subcommittee on National Security Policy and Scientific Developments on Sino/Soviet relations. Czarnecki said he would raise this with the Chairman also.

After meeting with Chairman Morgan, Czarnecki called and asked if the briefing by the Director could be scheduled for Wednesday morning, 10:00 a.m., in the main Committee room with emphasis on the Middle East crisis. It would be appreciated if the Director would also cover so much of the present Sino/Soviet relations and other world-wide roundup items as he may feel of importance at this time. The meeting was confirmed.

25X1 6. [redacted] JGO) Met briefly in a chance meeting with Chairman Lucien Nedzi, Intelligence Subcommittee, House Armed Services Committee, on his arrival back at the Capitol and gave him a brief overview of the Director's briefing this morning before the full Committee.

25X1 7. ([redacted] JGO) In response to his request for information for Representative Bob Sikes (D., Fla.), Chairman of the Subcommittee on Military Construction of House Appropriations Committee, I gave Pete Murphy, on the Committee staff, a brief rundown of the Gabriel missile.

25X1 8. [redacted] - JGO) Received a request from Ralph Marshall, House Armed Services Committee staff, for a map of the eastern Mediterranean for Representative Bill Young (R., Fla.). The maps were delivered to Marshall later in the day.

25X1 9. [redacted] - JGO) Met with Frank Slatinshek, Chief Counsel, House Armed Services Committee, and gave him a one-page blind memo commentary on the [redacted] which he had furnished for our review. Slatinshek was most appreciative.
